## SPELLING BEE

The NSW Premier's Spelling Bee was introduced in 2004 as a fun and educational way for primary school students to engage in spelling. The program includes activities to encourage all students to participate in spelling and promote improved literacy in combination with the English K-6 Syllabus. This week our school ran a junior and senior competition and we were very pleased with the enthusiasm and achievements of our students throughout the program. Congratulations to the following students for winning the competitions:

Junior - Pippa M and Eric T  
Senior - Chelsea P

These students will represent our school at the Riverina Spelling Bee next term.

***A proud member of the Wagga Wagga Community of Public Schools***
