DAUGHTERS AND DADS
Active and Empowered

OFFICE OF SPORT

Daughters and Dads Active and Empowered program is an award-winning evidence-based initiative, proven to enhance the physical and social-emotional well-being of girls, developed by the University of Newcastle, Australia. If you're a dad with primary school-aged* daughter(s) this is for you. Your daughter will walk away feeling empowered with improved fundamental movement skills and you'll get one-on-one time doing dad-tested activities.

ABOUT THE PROGRAM

The program involves a mix of both theory-based education sessions and fun practical activities.

EDUCATION SESSIONS

Dads learn the unique and powerful influence they have on their daughter and parenting strategies to encourage gender equity. Daughters walk away feeling empowered against the culture of gender prejudice existing in many aspects of their lives, particularly regarding physical activity.

The daughters' education sessions focus on developing key social and emotional skills including:

- Self-control
- Persistence
- Critical thinking
- Resilience
- Self-reliance

PRACTICAL SESSIONS

The practical sessions focus on rough and tumble play, fitness and sport skills.

The program focusses on foundations skills necessary for a range of sporting activities including:

- Kicking
- Catching
- Bouncing
- Striking and throwing

DAUGHTERS AND DADS CLASSIC PROGRAM INCLUDES:

- Nine 90-minute weekly group sessions at 6:15pm - 7:45pm starting Wednesday 16 October
- Practical sessions focus on rough and tumble play, sport, and fundamental movement skills
- Theory sessions focus on building confidence, self-esteem, and resilience in girls
- Daughters and dads receive a program t-shirt and drink bottle
