**"In Friendship We Learn"**

### **RESPONSIBLE PET EDUCATION PROGRAM**

All students in K-2 had the opportunity this week to learn about how to be safe around dogs and how to say hello to dogs who are on their leads.

There was lots of listening, role plays, singing and some dancing.

Also there have been a number of hats that have been lost but not given into the office. Could you please check the name in your child's hat to ensure that it is their own.

## SICKNESS

There have been a number of staff and students that have been diagnosed with the Flu virus.

If your child is sick, please keep them home so that we are able to keep the outbreak to a minimum.

## READING GLASSES

We have two pairs of children's prescription reading glasses in the front office. If your child has lost any please feel free to come and check if they are theirs.

## JUNIOR LEGO MASTERS IN 1S

This week, 1S has been busy planning, creating, constructing and receiving feedback on their 'Lego' builds through our STEM activity. The task was for each team to design and build a specific place in our local Forest Hill area. These included the airport, shopping centre, skate park, RAAF base and our school.

Mrs Saddler was the official "Brickwoman" who was responsible to give each group some supportive feedback.

## CANTEEN

Due to a mechanical fault our milk fridge wasn't working over the weekend. A very special thank you to all students who happily chose an alternative drink. The canteen appreciates your understanding. Milk will return when our new fridge arrives mid week.
