SPOTLIGHT ON 3/4S

This term in 3/4S we have hit the ground running! We started our art journey off by looking at Aboriginal art from different nations of Australia and discussed how rock painting was used for communication. We decided to paint around the garden bed outside our classroom to share our own stories of meeting at school. Come down and have a look at how well they turned out!

We have also set goals for ourselves in skipping this term to take on some more advanced skills. So far, some of us have mastered the Criss Cross, Double Under, various partner skipping skills and entering and exiting the long ropes. Mrs Serafin was amazed at how well we were able to do the Egg Beater! Our next goal is to learn Double Dutch.

SYDNEY THUNDER CRICKET TEAM MASCOT VISIT

Sam Perry is the Cricket Participation Officer of South Western N.S.W. Yesterday, Sam organised for the Sydney Thunder Mascot 'Storm' to visit our playground during recess and meet some of our students. Storm then watched our infants classes run through some catching and throwing drills with Sam.

Cricket registrations are now open for all students aged 5-13 yrs. Please see the attached flyers for further information.

STAGE 2 NETBALL GALA DAY

Last Friday, eight students from years 3 and 4 participated in the Stage 2 Netball Gala Day at the Equex Centre. An amazing day of fun and netball was had by all and the girls should be proud of the way they played and supported each other. The girls didn't give up all day and displayed compassion and sportsmanship, not only to each other, but to players in opposing teams.

In total, they played 8 games against both smaller and larger schools and at the end of the day came away with a win in 5 of them.

A big thank you to the parents who transported their child to the Equex Centre and came along to encourage and support the team. It was very much appreciated.

We are collecting for this awesome organisation. Please drop off clean bottle tops and bread clips to the office.
