IMPORTANT INFORMATION

After receiving notification and advice from the Secretary, Mark Scott, in regards to the current COVID-19 virus the school has decided to postpone and cancel some upcoming events. These events are mentioned in the letter sent home to all families yesterday.

Please help the school in limiting the spread of this disease by talking with your children and reminding them to wash their hands properly, cough into a tissue or elbow if required, etc. All students that are presenting to the sick bay with any illness are being sent home and asked to stay at home until they are well.

If you have any further questions about the strategies in place please contact the school or look to our website for additional information.

ADOPT A KOALA

The SRC are organising a fundraiser to help raise money to adopt a koala. Any extra money will go towards helping those affected by the bush fires.
Students are asked to bring in coins to donate to this wonderful cause.
The students' coins will be put into their house colour's jar. Every coin donated will earn them an entry to win a toy Koala. At the end of the term the Sport House Captains will make a long line of coins for each house to see which house has the longest line. The longest line will get bonus points for their house colour.

CAR PARK ETIQUETTE

The school has a disabled parking space at the gate near the office. It has been noted that people are using it for general use. Please be mindful that the space needs to be kept vacant for emergency vehicles and transportation of people with disabilities.
Also please be mindful of others when parking in the main carpark. Along the trees, most spots can accommodate 3 cars between the trees. Could cars park closer to each other to allow more parking space. Cars are required to reverse park for student safety at drop off and home time.
Please do not park in front of the large bins at any time.

HUME BANK

As the COVID-19 situation continues to evolve, we value the safety and well-being of our School Banking partners, their students and our School Banking team. Accordingly, we have put on hold the School Banking pick-up service offered as part of our Program effective immediately.

During this time as an alternate deposit option we encourage parents and guardians to continue supporting their children's savings behaviour by depositing funds in to their child's account via recurring electronic transfer. Please know that we are vigilantly monitoring the COVID-19 situation and we will update you if further changes are made to our normal business processes.
