## Upcoming Events

Wed 29th Jul	P&C Meeting 6.30pm
Fri 7th Aug	REEC Excursion 4/5S
Thu 13th Aug	WWHS Testing Day

## Register for Kindergarten

We are now taking enrolments for 2021. You can collect an enrolment form from the office or print one from the NSW Department of Education website.

If you know of any family within our school zone who has a child starting school next year please encourage them to collect an enrolment form from the school.

### WWHS Testing Day

Please note the date if your child has been accepted into Wagga Wagga High School next year. They should have received a note explaining the process. Please be aware that it is the responsibility of the parent/carer to transport your child to and from the high school.

## CANTEEN UPDATE

Welcome back to everyone. We are looking forward to a happy and healthy Term 3 and are straight back making delicious, healthy foods for all.

Help us to celebrate the canteen's birthday next week 27th - 31st July.

Receive an entry with each Daily Special and also with each every day item purchased either at recess or in your lunch orders. Look for your entry inside your lunch bag, fill in your name and class and return it to the canteen entry box by Monday 3rd August and you could win a great prize. Only 1 will be given. Winner will be announced in the newsletter Wednesday 5th August.

On-line orders - you should receive a confirmation email to verify your order has been placed.

Remember that ordering closes at 9.15am for that day's order.

If you place an order and your child is away please contact the office ASAP and a credit will be given.

### HEAD LICE

It has come to the school's attention that some students in the school may have head lice and we are seeking your cooperation in checking your child's hair this week.

### LATE ARRIVALS

It is a legal requirement that parents accompany their child to the office when they arrive after the bell.

Please be aware that we can only accept explanations from the parent as to the reason for their lateness.

Dear parents, guardians and carers

**Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

**Cameron Williams**

At **Centacare** we are passionate about supporting all people in our community. We are part of the **Wagga Wagga, Albury, Griffith and surrounding communities**. We believe in the wellbeing for all.

### SUPPORT WITH YOUR RELATIONSHIPS

We offer individual, couples, or family counselling to help support you to strengthen and improve your relationships.

### FAMILY AND PARENTING EDUCATION PROGRAMS

We offer a wide range of parenting and education groups that focus on building skills, strategies and knowledge so you can enjoy positive relationships within your family.

### SUPPORT FOR YOUR MENTAL HEALTH?

Speak confidentially with one of our counsellors who can help you improve your wellbeing and discover your potential.

### CONNECTING KIDS TO CALM

An emotional regulation program that teaches children strategies to promote calm and increase their awareness of their own feelings.

### PARENTING CHILDREN WITH ADHD

The goal of this course is to inform and empower parents to work together with their child to cope with the many difficulties of ADHD by passing on practical strategies that will make a difference in the lives of everyone.

### KEEPING KIDS CALM

Aims to enhance parent's understanding of their children's behaviour and provide practical strategies in supporting behavioural change and emotion coaching.

### ANGER MANAGEMENT

This course helps support people to understand and cope with their feelings of anger. It gives people a chance to understand the underlying causes of their anger and new skills to use when they are angry.

### 123 MAGIC & EMOTION COACHING

Teaches parents and carers (of 2 - 12 year olds) how to manage their children's difficult behaviour.

### TRIPLE P POSITIVE PARENTING

Can help you with a specific problem, or provide tips on parenting and help with understanding your child's development and behaviour.

This course is specifically for parents of children who are 3-12 years old.
