WATER BOTTLES

Could you please ensure that your children carry their own water bottles to school.

With the current Covid regulations, it is strongly advised to help stop cross contamination. Also with the weather warming up, we are finding that more children are complaining of headaches due to lack of water.

Don't forget to label each water bottle with the student's name.

STUDENT DETAILS

All students have been given an update of information form for parents to fill out.

At this stage, there are a large number of forms that still have not been returned.

Keeping information current allows us to be able to contact you when your child becomes ill or if we need to children. It also ensures our funding entitlement to be accurate.

Could you please assist in making sure our records are current and return the forms as soon as possible.

CANTEEN NEWS

We all now know that Lincoln W loves Milky Pops. Do you know what Summer G loves? Look carefully around the school to find out.

For the convenience of parents using online ordering, the cut off time has been extended to 9:25am.

A special thank you to the Mobbs family "who love" the canteen. They have made a generous donation of delicious home-grown navel oranges that have been kissed by the sun and full of vitamin C. They will be available for recess/meal deals until all sold out.

RESPECT DAY

Taking part each September, Respect Day has been created to encourage people to focus more on ways in which they can be respectful to others.

For many the day involves being more attentive to loved ones, but it can really be used as a catalyst for treating any people with a more polite approach.

Of course, respect isn't something that should only be given once a year and hopefully the day will inspire people to think more about how they treat others all year around.

3G

Last week 3G were "respecting the environment" by picking up rubbish on their morning run.

Below are some photos of the students with their finds.

FAREWELL

This week we have said farewell to our General Assistant, Mr Archer who has decided to make a sea change.

We wish him well and hope he catches many waves.
